## Friendly Reminder's:

Please keep the laundry rooms clean. I receive very few complaints but the biggest one I do received is people abusing the laundry rooms. Not recycling, not cleaning the lint traps, not wiping up spills. This is a shared space and it is very inconsiderate to your neighbors to leave it a mess. **PLEASE USE THE LAUNDRY ROOMS DON'T ABUSE THEM!!! The Maintenance Emergency Number is 627-6366**

For September do one of these now and make your life easier later

1. Create a tidy annual kid-by-kid archive. Before school starts, get accordion files and label the slots by month or category - report cards, medical records, mementos. You'll be able to quickly find the papers you need and stash the ones you don't.
2. Stock the freezer with stew fixings, or your favorite soups and casseroles for those cozy Sunday afternoons.
3. Go back-to-school shopping in your own closet. Recycle a pair of light-colored shoes that you never wear or are scuffed: Take them to a repair shop and have them dyed black or red. For about \$25.00, you'll own (what looks like) a new pair of pumps.
4. Stock up on staples - like cleaning products, freezer bags and trash bags, soap and paper products, batteries, tape and light bulbs this will make life easier and save money by buying in bulk.
5. Something driving you crazy like the plastic containers falling out every time you open the cupboard door fix it and then reward yourself with tea or a little ice cream!
